Hi Cassie,

I made some minor edits on these two for you to consider. Nothing significant per se, but take a look and let me know what you think. They read well and are ready to go IMHO.

Thanks,

Chris

Hi Chris,

Here are the revised versions of MRIDs 50889425 and 51094403. 51094403 is unchanged since I sent it last Thursday but I'm resending it again for ease of access.

Let me know if you have any questions.

Thanks!
Cassie
